

IRREGULAR AND UNSETTLED.

Bears Hammered the Entire List on 'Change Yesterday.

BOND MARKET WAS ACTIVE.

GOVERNMENT BONDS WEAK ON THE MESSAGE.

Stirling Exchange Strong—Western Live Stock Quotations—Silver and Lead Quiet—State Bonds Inactive—Central Bonds—Bulls—Influence of the President's Message.

New York, Jan. 28.—The heavy engagement of gold for shipment between now and Wednesday, the large withdrawals of gold from the treasury and the president's message to Congress were the factors in today's speculation on the stock exchange. The gold movement, which was unexpectedly large, had a depressing influence on the market and caused a decline in the early dealings, which was somewhat accelerated by the delay in the sending of the message, which it was expected would have been read at the opening of the sessions of both Houses of Congress. The market became irregular and unsettled, with the tendency downward, and the pressure was not removed until the president's recommendations to Congress had been announced on the street and hastily digested. Then came a sharp rally which, as to the active list, was most pronounced in Sugar, New Jersey Central and the Grangers, Delaware and Lackawanna and Baltimore & Ohio being also prominent in the rise. The reaction, however, was not long in coming, and the market quickly underwent a change upon the receipt of the message from Washington that the passage of the bill introduced in the House by Mr. Springer to carry out the recommendations of the message was unlikely to occur at this session of Congress, in view of the certain opposition of the silver men and Populists. Opinions of New York speculators, however, were expressed, were given in favor of the president's suggestions, but the grave doubts sustained as to the carrying out of the recommendations caused a sharp-swinging movement, which led to a material decline in prices.

Some long stock was brought out and the bears took advantage of the uncertainty of the situation to hammer the entire list. Very little, if any, support was given to the market and the downward movement continued to the close, the final trading being decidedly heavy in tone. With the exception of Reading, Manhattan and a few of the specialties, which recorded advances, and Sugar, Erie, New York Central and Tobacco, which are unchanged, the closing prices of the shares dealt in show declines on the day. In general, 1/4 to 3/8 per cent. the latter in General Electric.

Sugar last 1/4 per cent. at the opening, advanced 1/8 and reacted 1 per cent. The Grangers and Erie, however, on the day of late, in the Northwestern preferred, Alton & Terre Haute is down 1/4; Edison Electric 3/4; Southern preferred, 1/4; Great Northern preferred, 1/4; Great Northern Grand preferred and Missouri Pacific 1/4; Con- daga guaranteed and Norfolk & Western preferred, 1/4; Lead and Leather preferred, 1/4. Quaker's preferred and Pacific Mail advanced 1 and 1/2 per cent. respectively.

FOREIGN FINANCES. New York, Jan. 28.—The Evening Post's London cablegram says: "Irregular. The stock markets were irregular today. Consols and other investment securities were firm. Americans received a trifle on a private telegram reporting that a message would be sent to Congress today recommending the issue of \$100,000,000 internal bonds. This, if true, is regarded here as a mere temporary measure. The action is watched anxiously here. All leading papers practically sum up the situation thus:

The remedy is a large external loan which will retire permanently the greenbacks and other government notes. But although this thing will be arranged, it is feared that while the political parties wrangle as to who shall have the credit of saving the finances of the United States, a panic may come.

Canadian Pacific was flat on an anticipated reduced dividend. Today's increase of 200 points in gold was partly in United States coin.

LIVERPOOL WHEAT. Liverpool, Jan. 28. **WHEAT**—Spot, quiet; demand poor. No. 2 red winter, 4s 5d; No. 2 red spring, 4s 3d; No. 1 hard Manitoba, 4s 2d; No. 1 California, 4s.

THE COUNTY COURT. Bids for the County's Printing Received and Opened.

The county court held a short session yesterday forenoon, but little business was transacted. All members were present and Judge Blair presided.

The sealed bids of the Deseret Publishing company and Kelly & Co. for the county's printing for the year 1895 were opened and referred to the selectmen with a request that they report at the next meeting. One bid, that of the Salt Lake Telegraphing company, came in too late and will be returned unopened.

John Sutherland was appointed road supervisor of district No. 5 in lieu of Osborn Andrews, resigned.

Board adjourned until Thursday at 2 p. m.

PUBLIC SCHOOLS. The public schools yesterday entered on the second half of the school year, and there was a heavy increase in the enrollment of pupils, chiefly beginners.

In order to accommodate all, additional rooms have been fitted up and the following additional teachers employed: May Goddard, Lena Wagner, Gillis, Beth Caraban, Helen Adams, Celia McFall and Bernard Howell.

Poor Indeed. The prospect of relief from drastic cathartics for persons troubled with constipation is poor indeed. True they act upon the bowels, but this they do with violence, and their operation tends to weaken the business, and is prejudicial to the health. Hostetter's Stomach Bitters is an effective laxative, but it neither gripes nor enfeebles. Furthermore, it promotes digestion and a regular action of the bowels, and is an efficient barrier against and remedy for malarial complaints and rheumatism, and is of great benefit to the weak, nervous and aged. As a medicinal stimulant it cannot be surpassed. Physicians, daily recommend it, and its professional endorsement is fully borne out by popular experience. Appetite and sleep are both improved by this agreeable invigorant and alterative.
